

GCS Plans Stock Drive In April

Chairman of the GCS capital stock drive is Anthony Madden, it was announced this week.

The steering committee met Saturday under the chairmanship of Walter J. Bierwagen to plan for the drive, which will start the middle of April.

The drive will last one month with a goal of selling \$35,000 in stock to secure funds for the construction of the new GCS store building. Mr. Bierwagen emphasized that more stock would be sold before fully completing the building; however, he explained that only \$35,000 will be needed in the next 2 or 3 months.

Block captains and workers for the drive are being selected by the steering committee, according to Mr. Bierwagen. At the meeting, in addition to Mr. Bierwagen, were William Nicholas, Allen Morrison, Anthony Madden, Phillip McGonagle, Spencer Gartz, Sam Ashelman, Merton Trast, and Benjamin Rosenzweig.

The Animal Circus Was A Success

The Martinez animal circus drew 500 children to the Center School on Tuesday afternoon and 450 to the North End School in the morning.

Mothers who helped sell tickets and guide the children were Mrs. Herbert Hertz, Mrs. Frederick DeCoste and Mrs. Ben Perlzweig at the North End School; and Mrs. Thomas Berry, Mrs. Clifton Cockill and Mrs. Charles Drass at the Center School.

MPF Is Here

Multi-purpose food, the relief food providing almost one-third of the day's normal requirements for less than three cents, is now available in the GCS stores, Robert Mitchell announced this week.

Mr. Mitchell, chairman of the local MPF publicity drive, explained that the Co-op has been requested by the organizing group to stock MPF so Greenbelters could sample it before sending it abroad. He added that GCS was doing so on a non-profit basis.

Time For Shots Against Tick Fever

By WILLIAM M. EISNER, M.D.

The time to have spotted fever immunization has arrived. These injections should be taken by all Greenbelters who are likely to go out into wooded areas and into areas with underbrush and undergrowth; this includes the hedges surrounding most house gardens.

The ground tick first makes its appearance some time in April. It is the tick that usually spreads Rocky Mountain spotted fever. Dog ticks, seen throughout the year, almost never carry the spotted fever organisms.

Although great advances have been made in the treatment of the disease, its prevention is easier and less dangerous.

The vaccine is administered by giving either two or three injections at 5 to 10 day intervals. After receiving a full course for two successive years, patients can maintain their immunity with annual single "booster" injections.

The Health Department advises all gardeners and those whose occupation and activities may bring them into contact with shrubbery, trees, hedges and bushes to take the immunizations. Reactions are few and rare. They are due to egg sensitivity usually. Egg-sensitive patients should so notify the physician administering the vaccine. Since the medication is being administered daily by local physicians, the local Health Department will have only a limited amount of serum which will be available to the exposed town employees only.

Berkenbilt Leaves

Dr. Joseph Berkenbilt has left Greenbelt to join Group Health in Washington, it was announced Wednesday by Mrs. Ruth Bowman, president of Greenbelt Health Association.

"We are sorry to lose the services of Dr. Berkenbilt," said Mrs. Bowman, "but with the small GHA membership it was impossible to retain him." She added that when membership increases sufficiently, the present two-doctor staff will again be supplemented with a third member.

Dr. Berkenbilt started practice with GHA in July of 1947.

Community Chorus To Hold Concert

The final concert of the Community Chorus will be held Monday evening, May 17. It is planned to have several well-known artists present. Tickets will be on sale soon. Proceeds will be used for buying new music and meeting other necessary expenses of the group.

Rescue Squad To Meet Monday

The Rescue Squad will meet with representatives of various town organizations on Monday, April 12, at 8 p. m. in the Firemen's Hall.

James Sherman, assistant chief of the Rescue Squad, states that he hopes to be able to announce the squad's deadline for beginning operations.

Recreation To Be Discussed At Tea

Recreation will be the subject of a discussion-tea to be held Thursday, April 15, at 3:45 p. m. in the music room of the North End School, according to Mrs. Betsy Woodman, president of the Elementary P.T.A.

Covering supervised and unsupervised play, and the effect of the movies and radio on child recreation, the discussion will be led by Mrs. Frederick Peterson. Assisting her on the panel will be Mrs. Charles Callahan, Mrs. Joyce Davis, Center School teacher, and Mrs. James Matheny. The tea will be under the direction of Mrs. David Granahan and Mrs. William Higgins.

Mrs. Woodman extended an invitation to the meeting to any Greenbelters interested in participating.

GCA TO MEET

A Citizens Association meeting will be held Monday, April 12, in the auditorium of the North End School at 8:15 p. m. According to Mrs. Carmody, the topic for discussion will be, "Pro and Con of Compulsory Military Training."

Cancer Funds Drive Begins

Mrs. Willard Ehrhardt, 13-T Hillside Road, chairman of welfare for the Woman's Club, has distributed pledge cards to members and other interested women in the community who will each contact at least ten people for contributions to the 1948 Cancer Fund.

The purpose of the drive is to provide funds to educate people to the need of periodic examinations, and to promote research into the causes to find a cure for the disease. Literature is being distributed in Greenbelt to acquaint the people with the purposes of the drive and to explain the symptoms of cancer.

Many residents of Greenbelt have already availed themselves of free examinations at the free detection centers in Baltimore. There are four such clinics available to Greenbelt people: Johns Hopkins, St. Agnes, University of Maryland and Providence. Appointment may be made by calling Lexington 4002 or writing to the American Cancer Society, 306 N. Charles St., Baltimore 1, Maryland.

Register April 27

Mrs. Elizabeth Carmody, president of the Greenbelt Citizens' Association, announces the date for registration to vote is Tuesday, April 27. Registration will take place in the Fire House from 9 a. m. to 9 p. m.

Shamrocks-Reps Need Players

Sam Fox, director of the Recreation Department, announces that practice for the men's baseball and softball teams will begin on May 2 and April 17, respectively. The Shamrocks will open their season on May 2 with practices several times a week. Once the season starts the men will play on Saturdays and Sundays with an average of one home game per week.

Pitcher Needed
The team is in bad need of a first-rate hurler, so all pitchers with past experience are invited out this weekend. Practices have been moved back to 2 p. m. on Saturday and 1:30 p. m. on Sunday.

Among the brightest new prospects out were Tom Howard, Corky Anacker, and Harry Randolph. Tom Howard, a big first baseman, may fill the vacant shoes of such former stars as Bill Moore and Ernie La Valley, but he will have to beat out a young and very ambitious Harry Randolph.

The Reps softball team will open their season on May 10, and until then will be practicing several times a week. Once the season starts the men will play on Tuesday, Thursday, and Saturdays with all games at home.

All men interested in playing on the team should meet on Braden Field April 17 at 2:30 p. m.

AVC To Meet

There will be a meeting of the Greenbelt Chapter, American Veterans Committee on April 11, at 11:15 a. m. at 4-C Laurel Hill Road. Matters of importance to the Chapter, and its relation to the national governing board of the AVC, are on the agenda.

Mobile X-Ray Unit Will Come Here Next Friday

Town Manager James T. Gobel urges all residents to remember the free chest x-ray offered to Greenbelt residents on Friday, April 16, from 9 a. m. to 1 p. m. A mobile x-ray unit will be stationed in Greenbelt in front of the Greenbelt theater, where a free chest x-ray will be given to any Greenbelt resident 14 years old or over. Mr. Gobel stresses the fact that all reports of the exam will be sent personally to the person examined and are strictly confidential.

Greenbelt High School students will have the opportunity to have an x-ray on the same day, when the high school bus will take them to Hyattsville for an examination.

Mr. Gobel added that the interest in and cooperation with the program shown by Greenbelt residents will be valuable in securing future services of this type for the community. He pointed out that the activity is appropriately timed for Greenbelt Public Health Week, which extends from April 11 to April 17.

Picnic Planned For Tomorrow

A picnic for Junior Boys of the Sunday School of the Greenbelt Community Church will begin at 10 a. m. tomorrow. Sponsored by Teachers Robert J. Leo, Henry Raduazo and Sam Patterson, the boys will meet at the Hillside and Crescent Road viaduct and proceed from there to the Lake.

Boys should bring lunch, ball, bat and glove.

Red Cross Drive Comes Out On Top

There was jubilation in Red Cross circles on Tuesday when Mrs. Ralph Neumann, chairman of the drive, added up the final contributions which totaled \$825.00, putting Greenbelt over the quota of \$800.00. Mrs. Neumann extends sincere thanks to all who volunteered their time to help during the drive, and to all the people of Greenbelt who made contributions. The chairman of the Prince Georges County Red Cross drive, Perce Wolfe, adds his appreciation and compliments the people of Greenbelt on going over the quota; the whole county, he reports, rallied to the drive and pushed the county fund well over the quota.

In Greenbelt Mrs. Miles Bonnar of "D" block led with the largest amount contributed by block; Mrs. D. J. Neff of "A" block was second, and Mrs. William Rogers of "E" block third.

Voters League Elects Officers

Mrs. Ben Posner was elected chairman and Mrs. Waldo Mott, secretary of the Greenbelt group, League of Women Voters, at the annual election meeting which was held on March 25 at the home of Mrs. Joseph Berkenbilt.

In accordance with its policy of getting out the vote, without regard to party, the League has designated April 16 and 17 as League Information days. In Greenbelt, according to Mrs. Posner, it is planned to set up information booths at the Center to answer questions and distribute voting information.

Symphony Group Plans Concert

Tickets are now on sale for the "Pops" concert to be given by the Prince Georges County Symphony orchestra on Sunday, April 25 at 8:15 p. m. in the Elementary School.

The program will include "The Toy Symphony" by Haydn, selections from Gilbert and Sullivan, March from Peter and the Wolf, March of the Sirdar from Caucasian Sketches, March Slav by Tchaikovsky, Over the Waves Waltz. Soloists will be announced next week.

The orchestra now numbers 35 players. Violinists and cellists are still needed. Any players interested in joining should report to the school auditorium at 3 p. m. this Sunday.

Oh Mom! Stop Look And Read

Does your fifth birthday fall in 1948?

If so, you're probably looking forward to kindergarten next fall. You don't want to be turned away just because room wasn't made for you. It could happen, though. You see, there are only 272 children in the two kindergartens now, but there may be as many as 450 to enter this year. The exact amount of increase has to be known, so that enough teachers can be hired to take care of you and your friends and enough room provided.

A couple of months ago, Town Manager James T. Gobel sent a questionnaire to every family in Greenbelt, to be filled in and returned with the names of all children who would enter kindergarten in 1948. Only 199 names have been received so far. Was yours one of them?

If not, show Mommy the handy blank below, and ask her to fill it in and send it to the town office.

Recreation Dept. To Supervise Youth Center

Greenbelt's Youth Center will be under the supervision of the Recreation Department and will have a council-appointed advisory board of five members, as the result of Town Council action Monday night.

Questions from citizens, regarding control of funds raised by the advisory board, prompted council members to agree that specific provision for such control to be vested in the advisory board would be the basis for an amendment to the ordinance at the next regular council meeting. It was pointed out that the original board, under Ordinance 149, formulated rules and regulations, controlled operation of the youth center building, and raised funds, while its control of funds raised was implied. The new ordinance, while giving authority to the recreation department for operation and use of the building and for rules and regulations, still leaves with the advisory board all fund-raising, beyond the \$1000 for maintenance allowed under lease provisions. However, control of such funds is still not specified, said several spectators at the meeting.

Other action taken Monday included: a motion to request the Army band to give a concert in Greenbelt in June; a motion to request PHA to get rid of the Oldham house, considered a hazard; announcement that free tick shots will be given all volunteer firemen starting April 6; a report on town participation in local school health programs; a report on the status of Capital Transit's request for fare increases.

Additional action included: Announcement of Greenbelt Public Health Week, coinciding with Maryland Public Health Nurse week, April 11 to 17, and the date the mobile X-ray unit will appear in Greenbelt, April 16; filing of 13 "problems for council study" by Mrs. Harrington, and a request by the councilwoman for a statement of the town manager's accrued leave; a report by the town manager of a meeting with Fred Tuemler, of the Maryland Park and Planning Commission, regarding Greenbelt zoning.

Building Pledges Are Over Top

Community Church will have a 5 p. m. vespers service of Recognition and Fellowship this Sunday afternoon in the center school auditorium. The occasion will commemorate the affiliation of Community Church with the Washington Association, and celebrate the success of the campaign for funds for the new church building.

Chief speaker for the occasion will be Dr. Roy A. Burkhardt of Columbus, pastor of First Community Church there and president of the National Council of Community Churches.

Delegations are expected from all Congregational Christian churches of the Washington area, along with ministers and laymen of other Community Churches. Also on the program will be Rev. John McClelland of Silver Spring; Rev. Edmund R. Strait of Washington, moderator of the Association; Rev. Joseph H. Stein, superintendent of the Atlantic Conference of Congregational Churches; Rev. Carl Heath Kopf, minister of First Congregational Church; Rev. Robert Brooks of Lincoln Temple; Dr. Chestern Smith, acting secretary of Washington Federation of Churches.

TO THE EDITOR

Best Yet

To the Editor:

The hour was nearing midnight
On Friday of last week
When home I dragged my weary
frame

Rest from "meetings" to seek
I shed my clothing swiftly

I scurried from my bath
Then dropped into my downy bed
No thought had I of wrath!
Now, sweetly, my dear husband

The papers to me brought
To read, and keep abreast the news

Like all of us should ought.
Wearily I glanced over

The headlines of the day,
The fights of politicians

And What the Russians say.
Then turned to our own paper—

Cooperator by name.

I looked it over quickly,

My eyes were getting lame

When, like a magnet, the word

Chorus

Drew them—and sleep deferred
For there—Oh Horror of all hor-

rors

In printing clear and plain
My pet, my child, my hope of hopes

With words was surely slain!
Gone was the hope of resting

No sleep was in my eye
Just fury at such mumbly

And action—to defy!!

What strength was left, I mustered
And started to get dressed

For I was bound to meet the foe

Ere I had any rest

Then suddenly I noticed,
A silence from my spouse.

I looked, and there sat Cormack
Doubled up in grins and mirth

(the Louse)

And so, it dawned upon me
That this was April Fool

And I must not get over wrought
But just keep calm and cool!

Now that it's all over

And a stroke I have been spared
I'll gather strength

And bring them back
The members you have scared.

Guess who—Membership Chair-
man.

Cracked Pots?

To the Editor:

A few years ago there was a fad
of writing chain letters; we were
expected to send 10c to somebody,
address notes to 25 other some-
bodies, and then sit back and wait
for the dough to roll in. It was a
racket.

Today we have the same game
in different guise. Now we sit
back and wait for an avalanche of
36 tea towels! Egad, Twombly,
who in our fair village can possi-
bly make use of 36 silly wipers?

The official bulletin of the PO
Department has taken notice of
this old game. Observing that
"this type of chain enterprise has
again reached epidemic propor-
tions," the Postal Bulletin asks all
postmasters to tell patrons that
the chain postal card scheme is
unlawful.

I have a warm spot in my heart
for the government office that
tries to protect me from 36 tea
towels. Or 36 aprons. Or 36 pot-
holders. Or pots.

It was not an April Fool joke,
but the real thing, when C.W.O.
Leo R. Bole phoned his mother,
Mrs. Mary Bole of 34-A Crescent
Road, on April 1 to tell her that
her first granddaughter had been
born that very morning. Chief
Bole was married last year and is
now stationed with his family at
Fort Benjamin Harrison in Indi-
ana. Mrs. Bole, who has two
grandsons, is employed at our post

Junior Legion Baseball Team Calls For Players

With the arrival of another baseball season, the Department of Maryland American Legion is again striving to win national honors. Last year it was awarded the "Dan Sowers" Junior Baseball Trophy for the greatest percentage increase in junior baseball teams in the United States.

Practice sessions have been in progress for the past three weeks (weather permitting), and a call for any and all boys desiring to play ball in an organized way is given for Saturday morning, 10 a. m. at Braden Field. To be eligible to play in this group a boy must not exceed 17 years of age during the calendar year 1948. If his seventeenth birthday is during this year, he is eligible.

The Norman Motor Company of Berwyn, through the Ford Motor Company, has again given its support in bringing this program to Greenbelt.

Legion Bowlers Take First Place

Tuesday evening ended another bowling season for Greenbelt bowlers with a thrilling finish. The American Legion Number One Team finished on top by nosing out the Community Church team on pin fall. In third place was the American Legion Number Two Team, nosing out the Aces by pin fall, with the Ridge "5" ending fifth.

This marked the second consecutive win for the Legion One Team. The season will officially close Tuesday when all bowlers will assemble at the Greenbelt Athletic Club for their annual banquet, election of officers and awarding of prizes. Chef Pappy Hawkins is catering, and food will be served at 7 p. m.

KOLLUM

By DAVID BYERLY

Spring is here and with it a young man's fancy turns lightly to thoughts of baseball; at least it is that way at GHS. The Grizzlies lost some valuable men last year, but this year's stock is promising. With some of the old regulars back, Greenbelt is working for a successful year: such stand-bys as Harry Randolph, the slugging first baseman; Bobo Hause and Nellie Goodal playing a double role as pitchers and infielders; John Martone, the heavy-hitting catcher; not to mention the four utility men of last year who will probably be promoted to starting berths, John Mowitt, Bob Hammond, "Squeaky" Attick and Richie Lewis.

These are all seniors, as no ninth graders made the team last year. Many promising sophomores can be counted on for possible regular positions. Pitchers Mickey Snead, Bob Watkins and Ronnie Bierwagen show talent.

Highlight of the season will be the new uniforms. While last year the American Legion sponsored the team, this year the uniforms were acquired through many sources in the surrounding communities. Greenbelt Consumer Services, Berwyn Fuel and Feed and Mr. Watkins of College Park contributed three uniforms each. Trott and Owens (Berwyn Grocers) and the Beltsville Shopping Center gave two each. Boteler and Son of Beltsville and Charles Gentile of the College Park Bowling Alleys contributed one uniform each.

The season starts April 13 against Marlboro High. Win or lose, the Greenbelt boys can be counted on for a good sportsman-like showing in every game. Fourteen games are on top on a home and home basis, and all should supply their share of thrills.

Gun Club Range Opens Sunday

A town ordinance prohibits the use of firearms anywhere within Greenbelt except at the target range (near the filtering plant). The Gun Club is now providing range officers to supervise safe use of the range. The Club does this each summer at the request and with the approval of the Department of Public Safety and the Town Manager.

This Sunday, April 11, and on all clear-weather Saturdays and Sundays thereafter (except when the members are all out of town at a special match elsewhere), the Gun Club will have range officers on duty at the range to accommodate visitors. The hours for shooting are 1 to 5 p. m. The closing time may be made earlier if conditions warrant. No shooting is allowed except when a range officer is on duty.

Firemen's Meeting

A meeting of the Greenbelt Firemen Association was held last Monday in their quarters under the Police Station. Regulations in regard to use of these quarters were discussed and approved. Honorary membership was extended to Charles Cormack, James Gobbel, Thomas J. Canning, Dr. William Eisner and Dr. Hans Wodak.

Arrangements are being made to have a checking out point for equipment for the Northenders to use on the Ridge Road playground.

Other playgrounds—various

Watch Out, Joe!

Edward Don Bullian, 12-year-old pupil in the sixth grade of the Center School, has been making a name for himself in the local juvenile boxing world. Ed, who fights in the mammoth 75-pound class for the Prince George's Boys' Club, has had six fights since entering the pugilistic world February 27. He has won four, lost one, and earned a draw in a return match with the boy who handed him his previous lone defeat. So far Eddie has collected a golden glove and a silver glove.

playgrounds equipped with swings, slides, see-saws, etc. are available for free play and about 8 basketball backboards are to be erected throughout the town.

TEEN TALK

By JOE HASPIEL

The town council decided on Monday, April 5, that the Recreation Department will have the responsibility of leading the Drop-Inn to a successful future. Since the department is composed of specialists in group activities, the prospects appear bright. The department will be assisted by an adult committee selected by the town council. Having the management of the club firmly fixed should gain much in efficiency.

Dance Success

Favorable comment has been received concerning the April Fool dance held by the Drop Inn April 3. Congratulations are extended to all involved, and especially to the teen age committee for its good work. A more detailed account will be given in next week's column.

Cub Scouts

Cub Scouts of Pack 202, sponsored by the American Legion, held their monthly Pack meeting on March 31 in the North End School Auditorium. The theme for the month was "Cub Scout Handyman." Champion of the nail-driving contest was John May of Den 8, with Alex Connelly of Den 2 runner-up.

Cub Scouts Leonard Mogavero, Freddie Pfeiffer and Jim Stripling received Webelos awards and were graduated into Scout Troop 229. Scoutmaster Townshend was present to welcome them and their parents into Scouting.

Achievement awards were given to the following Cubs: Richard Myers, Wolf Badge; Rayburn Cox, Bobcat Pin; David Granahan, One Year Star; Craig Woolley, Silver Arrow; Neil McCully, Gold Arrow; Charles Barlow, Two Year Star; Michael Grabel, Gold Arrow; Clifford Woodward, Gold Arrow; John May, Bear Badge and Silver Arrow; Melvin Melloy, Silver Arrow; Kenneth Clay, Wolf Badge.

The evening's fun was topped off with an exhibition of pet model racing by Craig Woolley and his dad.

Hot Last Week

The Fire Department responded to several fire alarms this past week. Two alarms were for automobile fires, and fires in brush and wooded areas were responsible for three alarms. The damage in each instance was minor.

Wins Plaque

Greenbelt Gun Club won a plaque for taking lead place in Class B in the Maryland Rifle League's final match of the indoor season, held at the University of Maryland on Monday, April 5.

Sunday were manned by members of the Senior Scout Outfit No. 202 of Greenbelt. After luffing and tacking about in the small craft, the group finished up the afternoon with a short cruise on the schooner Marith. Your teen-age columnist and his boys are looking forward to more of the same.

Great Books Club Holds Discussion

The Great Books Club held its first meeting on April 1, with ten members present. Future round-table discussion group will be held every two weeks, on April 15, April 29, May 13 and May 27 at 8:30 in the social room of the Center School, according to Mr. and Mrs. Bassett Ferguson, discussion leaders.

The course is sponsored by the Great Books Foundation, which publishes the selections studied in book form at sixty cents each. Mrs. Reba Harris, librarian, announced that books containing the selections are being purchased for the use of those who prefer not to buy books.

Mrs. Ferguson says that visitors are welcome at any time. The Declaration of Independence and selections from the Bible will be the topics for study at the April 15 meeting. Those interested in joining may call Mrs. Mary Jane Kinzer at 2031, Mrs. Harris at 2721, or Mrs. Ferguson at 8601.
